Mrs. Kemp's 2nd Grade

Spring Break 2022

OUR LEARNING

Spring break is here! I hope your family has a safe & relaxing week, whether you are traveling near or far. School resumes on Monday, April 4th.

The week of April 4 we will study words with different spellings of long e, learn new non-fiction text skills in SUPER magazine, and begin to write our African animal research project.

After break, the four parts of the Mass will continue to be our focus in religion. We will learn about the Liturgy of the Eucharist. Please practice the Sign of the Cross and Morning Offering prayers with your student. You'll find the words attached.

OUR LEARNING

In math we will begin learning to add and subtract with regrouping. Math homework will be telling time.

In social studies we will learn about the different branches of government, especially the role of each branch and where the people do their work.

Supplies Needed

We are in need of more tissue, paper towel and sanitizing wipes. If you are able, please send some in after spring break.

Thank you so much!
