

# MARCH

## 4th Grade Newsletter

March 28-April 1, 2022

Fourth Sunday of Lent

The Lord is my shepherd, there is nothing I shall want. Psalm 23:1

### Weekly News

—It was a busy but great week. Songfest was fantastic! I am so proud of how hard the children practiced. All those children voices together sounded like a choir of angels.

—Today your child is bringing home a Home Energy Kit. We had an amazing presentation this morning. DTE/Consumer Energy shared many ways we can be good stewards of God's creation and conserve energy. Please look over the information and use any items you can from the kit. It contains many very useful items that could save you money. **PLEASE** take the time to fill out the Home Energy Worksheet-even if you do not use any of the items. Our school can receive grant money if the students return the form or if you fill out the information online. You have an opportunity to win \$50 Amazon Card (we will have one winner per classroom).

This is part of a Michigan Grant that will show how we are trying to conserve energy and make our world a better place.

\*\*Students will receive extra credit and a special treat if they return the form by April 8. Thank you for helping our children learn about the importance of taking care of the gift God gave us-the Earth.

—End of the marking period is Friday, March 25.

Report cards will be available on April 5th.

-Wishing everyone a good Spring Break. The children have been working very hard and deserve a little rest. Have a wonderful week off and see you back on April 4th.

#### Important Dates

**Monday**- Stations of the Cross
