Issue 25

Dia duit (God Be With You) from the Emerald Isle. We have been having a great time chasing leprechauns about. Unfortunately, we were not lucky enough to trap one. We did try! That tricky leprechaun made a mess in our classroom and dashed away without anyone seeing him. He did leave us a note along with some "gold". Legend has it, if you trap a leprechaun, he has to tell you where he's hidden his gold. We talked about St. Patrick, and how he taught the people of Ireland about God. We also fizzy painted four-leaf clovers!

We were treated this week to a performance from the Hubbardston Irish Dance Troupe! They were awesome to watch. After the performance, we practiced our own Irish dancing in the classroom!

We started out this week in Germany. We folded and decorated Alpine Hats and stamp painted stones and bricks onto castle drawings. We also practiced dancing the Polka!

Next week, we will be wrapping up our trip around the world. We will visit Japan and then Egypt before we head back home to the USA, just in time for Spring Break! We have been keeping our passports up to date as we make our way around to the different countries. It has been a fun unit!

Blessings!
