Mrs. Kemp's 2nd Grade

April 18-22, 2022

OUR LEARNING

Happy Easter! I hope your family has a beautiful Easter weekend. Just a reminder that there is no school on Friday or Monday.

Thank you so much for the donations of tissues, wipes & paper towel! We should be set for the rest of the year.

Even though we have another 4-day week next week, we will still take a spelling test. All our words have tricky spellings of the long i sound. In reading we will start another chapter book, and in writing we will begin working on an opinion speech.

We will learn about the Liturgy of the Eucharist & begin to practice for First Communion.

OUR LEARNING

In math we will continue subtraction with regrouping. This is a big step up for 2nd graders, so we will spend several days working on it. Math homework will be addition with regrouping.

We will move back to science and learn about sound and light. We will need empty paper towel tubes, so feel free to send some to school.

Save the Date!

Spring Concert
presented by
Kindergarten - 4th grades
on
May 17th
at
6:30 p.m.
in the
Activities Building
