Mrs. Kemp's 2nd Grade

April 25-29, 2022

OUR LEARNING

Can it already be the last week of April? Time is flying by in 2nd grade! Hopefully soon it will feel more like spring with warmer temperatures and no snow!

This week in spelling all our words have tricky spellings of the long o sound. In reading we will continue our latest chapter book, and in writing we will fine tune our opinion speech before presenting it to the class.

We will continue to learn about the Liturgy of the Eucharist & begin to practice for First Communion. The week of May 9th we will have a small retreat during the school day to prepare our hearts for First Communion. Mrs. Karpus will lead us in baking bread.

OUR LEARNING

In math we will still be working on subtracting with regrouping. This is a big step up for 2nd graders, and we need a few more days to be confident in our skills.

We've moved back to science, but we are focusing on simple machines first. Then we will move on to sound & light. Sorry for the mix-up.
