Mrs. Kemp's 2nd Grade

May 2-6, 2022

Our Learning

Happy May! The 2nd graders and I are really hoping for warmer weather this month! Our classroom tends to be a bit on the cool side, so sweaters are still a good idea.

This week we will work on spelling words with the oo sound, learn more informational text skills, and begin work on a magazine story. In math we will add & subtract bigger numbers with regrouping, and in science we will continue learning about simple machines.

MAPS testing continues this week. Please encourage your student to do his or her best on each test.

Updated Dress Code

The dress code changes in May to allow for shorts, skirts and skirts. Please see the school website for more detailed information. Pants and jumpers may still be worn, especially if the weather continues to be as cool as it's been lately.

Save the Date!

Spring Concert
presented by
Kindergarten - 4th grades
on
May 17th
at
6:30 p.m.
in the
Activities Building
