Mrs. Kemp's 2nd Grade

April 11-15, 2022

OUR LEARNING

Welcome back! I hope your spring break was relaxing. Hopefully the weather will begin to feel more spring-like soon, but in the meantime please make sure your student is prepared for cold weather. Hats, gloves and boots are still a good idea. It's rarely the forecasted high temperature at recess.

It's hard to believe that we are already in the 4th quarter of the year. Our focus will shift to preparing for 3rd grade next year. Using class time well will be a major focus, so your student may have more homework if they don't finish work in class.

OUR LEARNING

In reading we will focus on non-fiction skills, finish our animal research reports and create a poster, and study words with the long a sound. In math we will add & subtract 2-digit numbers with regrouping. In religion we will learn about Holy Week and in social studies will continue to learn about the branches of government and the Pledge of Allegiance.

REMINDERS

There is no school on Good Friday (April 15) or Easter Monday (April 18).

The First Communion Mass will be Sunday, May 15 at 11 a.m. at St. Charles.
