Dear Families-

It was wonderful to be back with the students this week. Listening to the students' stories of their spring break adventures has been entertaining. It sounds as if everyone had a time to rest, relax and have some much-needed fun with family.

We are in the home stretch here at school. It is difficult to believe the fourth quarter has already begun. We will soon be saying goodbye to our eighth graders and promoting our seventh graders. The weather (hopefully) will be getting warmer soon. This is a wonderful time to remind students to remain motivated and finish strong.

I hope the weather perks up and you all have a wonderful weekend.

Blessings,

Jessica Gilbertson
