

# St. Charles Preschool Press

May 13, 2022

Issue 32

We have two weeks left of preschool! I can't believe how fast the year has gone! Please note that the last day of preschool is Friday, May 27th. We will be celebrating a few fun days as we wind down to summer. The preschoolers have voted, and here is what we chose for our "fun days" this year: **Construction Day, Disco Day, Pajama Day, and Camping Day!** We will celebrate these days the last week of preschool. Plan on dressing accordingly!

Monday, May 23rd - Preschool Graduation Celebration (1:30 pm in school gymnasium)

Tuesday, May 24th - Construction Day

Wednesday, May 25th - Disco Day

Thursday May 26th - Pajama Day

Friday, May 27th - Camping Day

We had a great time this week talking about Community Helpers! We will continue our learning theme into next week too. Pet Days were a doggone good time! Thank you parents! We appreciate your willingness to bring your pets to school for an early morning visit! We had a great turn out, and the preschoolers loved it!

Parents of children in our 4-year-old program, kindly RSVP to me via email with the number of family members planning on attending our graduation

celebration. We are excited to perform a few songs for you!

Enjoy your weekend!  
Blessings!
