

# The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

Despite the heat this week, students were able to stay focused and do their best. Next week temperatures look much more comfortable, as we still have plenty of learning time. Students in grades four through eight will take the science portion of the MAPS test.

**Please keep the second graders in your prayers, as they celebrate their First Holy Communion at the 11:00 a.m. Mass this Sunday.** We pray that these children will always keep the love of Jesus in their hearts.

**This Sunday, we hear the beautiful words of Jesus from John's gospel, "Love one another."** Jesus further says, "As I have loved you, so you also should love one another. This is how all will know that you are my disciples, if you have love for one another." As bread and wine are blessed and shared around the altar, we are strengthened to live a life centered in love. It was said of the early Christians, "see how they love one another." May it also be true of us. (taken from *Living With Christ*, May 2022, p. 119)

**Please join us for the kindergarten through fourth grade vocal concert on Tuesday, May 17 at 6:30.** Students should be dressed in their Sunday best and be in their classrooms by 6:15. Miss Brink has been working very hard with the children.

**Thank you very much for your donations to Clay Street Center.** The staff is always so grateful for our donations and support.

**Congratulations to Grace Platte and Madison Cusack.** These young ladies each received a \$500.00 scholarship from the PTO and an anonymous donor. We wish them the best of luck as their pursue their college education.

**May God bless you with a wonderful week!**
