Dear Families,

We had a warm week in the classroom. It was nice to get outside to complete a couple of our activities. The May Crowning was the high point of the week. Our eighth graders looked fantastic in their Sunday best. We only have a few short weeks left with our dear eighth grade students before wishing them well in their high school careers. It is hard to imagine the halls of St. Charles without them. Though it feels as if this year is winding down, there is still much left to do. Please remind your child to do their best in the next few weeks.

Blessings Always-

-Mrs. Gilbertson
