

# 3rd Grade Newsletter

*Faith Academics Service*

## August 23 - 26

Welcome back to school Third Grade Families! I hope you all had a wonderful vacation. I am so excited to get to know all of you and see where this year takes us.

In our classroom we have been slowly easing into the new school year. We spent time working on procedures/routines, working on review, as well as began our first science unit building constellations from marshmallows and toothpicks.

Please reach out if you have any questions.

## Spelling Words

Test: Date

Our first spelling list will be sent home next week.

## Reminders

As I'm sure, many of you have seen the planner page I have the students take home daily. I like to send this home as a way for us (the students, the parents, and the teacher) to all be in communication with what we are doing in class and what is expected to be finished as homework. I do this in hopes to help the students with independence and responsibility. There is a very small incentive to have this signed daily, but there is certainly no punishment if it is not. Thanks for your understanding and have a wonderful weekend.

## Important Dates

Gym- Mondays & Wednesdays  
Music- Tuesdays & Wednesdays  
Art - Fridays

September 2 & 5 - No School
