Fourth Sunday of Lent

The Lord is my shepherd; there is nothing I shall want. Psalm 23:1

Weekly News

- This is going to be a busy week. Our last week before Spring Break. We will be working hard to finish concepts before our nice, long break.
- Songfest was amazing. The children worked very hard and hearing all the voices singing together...it was a beautiful night. Be sure to check out the short clips on Clasdojo. Thank you to Mrs. Grimes, Mrs. Morris, Averie's Grandmother, and Emilia's Grandmother for driving/chaperone duty.
- We have finished reading the novel, The Tales of Despereaux. The children will finish their Literature Circle packets and vocabulary booklets. We will watch the movie and compare it to the book.
- Homework and missing work-- We have had a few discussions on the expectations of taking any unfinished work home to be completed and returned the next day. The number of missing assignments is becoming worrisome. It is important to establish good work habits. Starting next quarter missing reports will be printed and the students will be bringing the reports home for your signatures.
- End of the marking period is Friday, March 24. All work must be turned in for grading.
- March Reading Month-To finish the reading month, the students will share their favorite picture book. They will bring their favorite book to school and read to the class. They will also share why this book is their favorite. Our classroom will be filled with their early childhood memories.
