

# His Hands and Feet Serve-A-Thon

**We are called by Jesus to act as His hands and feet here on earth.**

One way our St. Charles School students will be doing this is by taking part in our third annual "His Hands and Feet Serve-A-Thon," **January 28th - February 25th**. Students will reflect on how they can serve others at home, in their school and in their community and ask family and friends to support their acts of service by making a donation to their school.

Our mission at St. Charles School is for students to grow in faith, academics and service and we have implemented a strategic plan to do just that. **We are asking for your support in promoting a service-oriented mindset in our students and funding the improvement of our school building and enhancing our security system by sponsoring our students in this serve-a-thon.** Our community has generously supported this serve-a-thon in the past and we sincerely appreciate this support. Please consider the levels of sponsorship below, donating an item, gift cards or coupons to incentivize student participation or your very own act of service to the school (working with students, giving a presentation about your profession, donating time or services, etc.).

If you represent a business, please provide us with your business' logo, we will post it to our serve-a-thon website that our students will be sharing with their friends and family and on social media.

Donations will fund projects on our prioritized list on our website at [saintscjm.com/school](http://saintscjm.com/school) or use the QR code. More detailed information can be found at our website. This will be our only fundraiser of the year!

**Submit a service project!** We are also soliciting community service projects to align our students service with the needs of the community. Please scan the QR code or complete this portion on the back of this form if you are in need of our students' service.
