October 14, 2024

## GREETINGS PARENTS!

Many blessings to you all! This week is a short week. Friday we will have no school, all teachers will be having a professional development day. As a reminder, Wednesday October 16, is Picture Day. If your child does not attend school on Wednesday, you and your child are welcome to join us in the preschool classroom at 7:45 am so your child can get their photo taken.

This week's theme is "Color and Shapes". The book I plan to read for our theme is "Triangle, Square and Circle", by Klassen Barnett. Our small groups will include playing "Shape and Color Bingo", using floating foam shapes in the sensory table. A color sorting kit using tongs to strengthen fine motor skills while sorting by color. Since it is the Month of Our Lady and the Rosary, we will be putting together "The Virgin Mary Around the World" wooden puzzle. Our large group activities will include - 3's class to color and cut out a square and triangle and the 4's class will be drawing shapes that they recognize, color and cut them out.

Our spiritual lesson will focus on Our Lady and introducing the Prayer of the Rosary "The Hail Mary".

Please remember to bring home all of your child's rest time blankets on their last day school of the week. It is the flu season!

Have a great week!

God Bless,  
Teresa Evans
