## Note from Mrs. Saladin

Hello families!

It's been a busy and exciting week here at St. Charles. We have enjoyed some wonderful activities that have brought our school community together.

Our middle schoolers had the opportunity to explore the beauty of the outdoors at Camp Roger. They learned about nature, team work, and resilience while participating in a variety of hands-on activities. It was a fantastic experience that brought students closer to nature and each other. We're grateful for our chaperones and Camp Roger staff who made this a memorable day!

Our Halloween celebrations were festive and fun. Each class held a party with themed games and treats. Thank you to all the parents who volunteered their time and supplied treats to share.

Fifth and Sixth grades hosted a "Living Saints Museum" on All Saints Day. Each student chose a saint to research, then dressed up and presented what they learned to parents, staff, and fellow students. Walking through the museum was like stepping into the pages of history! Great job fifth and sixth graders! We appreciate their efforts and creativity.

God bless you all,

Mrs. Saladin
