

# St. Charles Preschool Newsletter

November 4, 2024

## GREETINGS PARENTS!

It is November already! Time sure goes fast in Preschool. This is the month we stop and say, "Thank You to our Lord for our many blessings".

Our Theme this week is Turkeys and the books we will be reading are " Five Flying Turkeys" by Barbara B. McGrath and "Taylor the Thankful Turkey" by Sonica Ellis.

The Spiritual Lesson will come from the book "Where is Jesus Hidden?" by Maura Roan McKeegan. The book is a child friendly way to help explain to children that Jesus is with us wherever we go.

Our small groups will include a turkey counting game using playdough, turkey color by number and using Snap together builders to create one of a kind robots.

Our large groups activities will focus on progressive turkey theme crafts to display in our entryway.

I am Thankful for the opportunity to share my faith with my St. Charles preschool friends.

Have a great week!

God Bless,  
Teresa Evans
