

# Mrs. Sullivan's Notes

November 1, 2024

Dear Families,

Happy All Saints' Day! Thank you to the many parents, grandparents, and families that came to our Living Saints Museum today! The students really appreciated having an audience.

Specials next week will be Art on Monday, PE on Tuesday, Mass and Library on Wednesday, PE again on Thursday, and Mass and Spanish on Friday.

Data from our recent Maps testing went home in today's papers. Report cards are ready to view. Let me know if you need a paper copy.

ELA - In grammar, both groups are finishing up pronouns. Please make daily reading a part of your student's routine. Unit 5 vocabulary words are on the back. Vocab work will be due 11/14. The vocabulary test will be on 11/15. New class novels begin soon.

Social Studies - Grade 5/6 is learning about the early settlements in America. Grade 7/8 will have a test on the road to the Declaration of Independence on Monday. We then start exploring the Revolutionary War.

Science - In Grade 5/6 Science we will be learning about the systems of the Earth.

Peace,

Mrs. Sullivan
