

St. Charles Preschool Newsletter

December 9, 2024

GREETINGS PARENTS!

Preschool has been busy preparing for the excitement of Jesus's Birth during this Advent season.

We will continue to read and reflect on the Christmas story. Using our Promethean board we will be able to share with the children what people looked like in Jesus's time and what shepherds looked like.

We will be busy adding to our progressive Nativity scene in the entryway making a Baby Jesus and shepherd craft.

The books we will be reading will add to our Christmas Story theme. "The Christmas Baby" by Marion Dane Bayer, "One Baby Jesus" by Patricia A Pingry and "The Shepherds Story" by Jimmy Dunne.

During our preparation, we will continue having fun singing and getting ready for our Christmas program Friday December 20th at 12:00 pm.

Many blessings during this advent season.

God Bless,
Teresa Evans
