

# Mrs. Sullivan's 5/6 Friday Note

December 13, 2024

Dear Families,

Our middle school party is tonight from 5-7:30. I'm sure it will be a lot of fun!

ELA - Unit 7 vocabulary words are included. Vocab work and test will both be due on 12/20, right before Christmas break. Hopefully, we will get a chance to finish up our Grammar unit on adjectives. We will begin our final project for Number the Stars next week. Students are working on a "dumpster" holiday story by having a different writing prompt each day to add to their story. Students will be finalizing their daily creative writing pieces into a cohesive story.

Math - Yesterday's snow day did not impact today's quiz, as students have now had 2 weeks to prepare for a quiz on Simple Solutions 5-8. I have a volunteer grandparent who will be grading the daily Simple Solutions. Any incorrect answers can be addressed in class, leading to a more successful grade on the quiz.

Math 7 - We are figuring percent increases, tax, gratuity, and discounts

Math 6 - We are ordering integers and converting decimals and fractions. There will be a test next week.

Math 5 - We continue practicing multi-digit multiplication and math fact fluency. There will be a test next week.

Peace,

Mrs. Sullivan
