Scarlett Fuhrman is our special student of the week. She is the youngest in her family and she has three older sisters. Scarlett is very artistic and creative. She enjoys going to the park, eating out, playing board games and drawing. When she is older, she would like to own and operate an ice cream shop featuring homemade cakes, ice cream, and cotton candy. Her favorite restaurant is McDonald's and her favorite food is macaroni and cheese. Scarlett enjoys cooking with her dad and singing songs in the car with mom and Opal.
