

Mrs. Sullivan's 5/6 Friday Note

February 14, 2025

Dear Families,

ELA - Unit 10 vocabulary words are included. Vocab work will be due on 2/19 and the test will be 2/20. We are working on our grammar unit on verbs. We will continue with some more sentence diagramming. Students have been excited to read our class novel.

Math - Usually we have a daily Simple Solutions Monday - Thursday from our book, with a quiz on Fridays. Many students are not completing the daily Simple Solutions in their book, and are quite far behind, which is contributing to poor quiz grades. The daily Simple Solutions book work is averaged for a weekly grade, so it is to the benefit of your student to be using their time wisely to complete the Simple Solutions of the day. The questions from the quiz are taken directly from the Simple Solutions book. Students should be asking for help on the ones they get wrong. Our next quiz will be on Simple Solutions 25-28

Math 7 - We are working with positive and negative integers and will test next week.

Math 6 - We are working with decimal operations.

Math 5 - We will be moving on to order of operations.

Peace,

Mrs. Sullivan
