

Mrs. Sullivan's 5/6 Friday Note

March 14, 2025

Dear Families,

The 8th Grade Raffle will be held next week, March 17-21. Get your quarters ready because there are a ton of fabulous items up for grabs!

All missing work needs to be turned in before spring break. The end of the marking period is near and I have many students earning grades far lower than their potential because of missing work.

As far as I know, the Liturgy and Worship team still needs altar servers for the last two Stations of the Cross at St. Charles April 4 and April 11, starting at 7:00pm. There are 3 spots available on April 4 and room for 1 more on April 11. I would love to be able to let them know some more of our students would be willing to assist. Please let me know if your student can help out. This will count toward service hours.

ELA - We have been learning how to diagram sentences. We are working on our grammar unit on verbs. We will be finishing our class novel this week. Students have a final book project that is due on Wednesday.

Math - Next week will be "catch up" week for Simple Solutions. Many have fallen behind. Students should have completed through #45. The questions from the quiz are taken directly from the Simple Solutions book. Students should be asking for help on the ones they get wrong. Our next quiz will be on Simple Solutions 37-40.

Math 7 - We are going to focus more on fraction operations next week.

Math 6 - We will be starting work with ratios and rates.

Math 5 - We will be adding and subtracting fractions with unlike denominators.

Peace,

Mrs. Sullivan
