Well Done!

READING

For the Month of March the students were reading!
For every 30 minutes of reading they earned a
Golden Ticket! Every class had weekly winners that
earned a candy prize.
At the end, all the tickets earned per class were put
together and a class winner was chosen at random!
Then all the tickets were put together, and a
Grand Prize Winner was chosen.

Great job to all the students!

Note from Mrs. Saladin

Dear St. Charles school families,

Winter is fading away and we are beginning to feel the warmth of spring. The spring season is a good reminder of God's faithfulness in the changing seasons. Spring is a time for renewal, growth, and fresh beginnings. Spring also brings Easter, the season of Jesus' victory over sin and death. We know the resurrection is the ultimate symbol of life and hope.

The arrival of spring reminds us of the powerful message of hope and new beginnings. Just as nature awakens from its winter slumber, our students too can find strength and courage to overcome challenges and grow. The themes of renewal we see around us - budding flowers, longer days, and fresh starts - parallel the resilience we aim to cultivate at St. Charles.

Thank you all for your prayers, kind words, and tokens of expression while I have been recovering from surgery. Thank you to our wonderful teachers, support staff, and volunteers for stepping up in my absence. Thank you to Father Jim and Mrs. Karpus for your continued support and encouragement.

I am looking forward to seeing you all soon!

Lenten blessings,
Mrs. Saladin
