## GREETINGS PARENTS!

We had a successful week of learning after our relaxing break. This week's theme is Gardening/Planting. We will be hands on in soil and seeds, as we plant sunflowers, beans and grass. Our learning will include a flower's many parts and a bean's life cycle. The books I will share to go along with our planting theme are "From Seed to Plant" by Gail Gibbons, "Curious George Plants a Seed" by Erica Zappy and "A Beans Life Cycle" by Mary R Dunn.

Our small groups will include counting and matching game using seeds, measuring with dried beans and the classic game "Hi-Ho Cherrio".

This week's spiritual lesson will be another one of Jesus' parables "The Rich Farmer". Jesus says, "How silly it is for a man to spend his whole life storing up riches for himself, to God he is really a poor man".

Have a great week and please continue to pray for Mrs. Saladin!

God Bless,  
Teresa Evans
