

Mrs. Sullivan's 5/6 Friday Note

April 11, 2025

Dear Families,

ELA - We are working with adverbs in our grammar workbooks. Students are writing "how-to" articles. Many are wanting to demonstrate a recipe or activity. Please know they have been told there is no physical food or demonstration necessary. Students should have a book to read during quiet reading time. Vocabulary words are on the back. Unit 13 Vocabulary test will be on 4/25.

Math - Simple Solutions #52 has already been assigned and should be completed. Next week students will be completing #53-56. Our next quiz will be on #49-52 on 4/25. The questions from the quiz are taken directly from the Simple Solutions book. Students should be asking for help on the ones they get wrong. Many are still struggling on the tests because they are not seeking help for the daily work they get incorrect. There is plenty of time before the test to have these questions clarified.

Math 7 - We are multiplying and dividing integers and will test next week.

Math 6 - We are still working with ratios and rates, but now applying it to measure.

Math 5 - We are adding and subtracting fractions and mixed numbers.

Peace,

Mrs. Sullivan
