From Mrs. Kemp...

As the year begins to wind down, please help your student keep striving for excellent behavior and work ethic. The closer we get to the last week of school, the harder it gets to consistently make good choices. I know this class can be superstars if they set their minds to it!

MAPs testing wraps up today. You will get a score report at the end of the year, along with your student's report card. Second graders did a good job and showed much growth!

Friday is a half day with dismissal at 11 a.m. However, we will still do snack.
