First Communion

The 2nd graders did an awesome job preparing for and receiving First Communion! I am so impressed by their faith, and it was such a beautiful celebration. The link to photos is below.

From Mrs. Kemp...

It's hard to believe that May has already begun. With the warmer days and increased sunshine, it has been getting a little harder for us to focus. Please remind your student to keep working hard, turning in his or her best work, and following rules and procedures. There is still a lot for us to learn before we are official 3rd graders! Thank you for supporting your student.

We are almost out of tissue and cleaning wipes. If you could donate one or the other I would be so grateful!
