

Mrs. Sullivan's 5/6 Friday Note

May 5, 2025

Dear Families,

I apologize for not sending this last week. I think my last minute date change for the 8th grade woodworking trip rattled my brain.

There will be NO HOMEWORK HELP on TUESDAY because I have a dentist appointment.

ELA - We are working with kinds of sentences in our grammar workbooks. We are still MAPS testing, this week in language usage. We are reading our last class novel of the year, *Freak the Mighty*. Students will be writing a journal entry after each chapter. I would prefer that students do not read ahead in our novel, so they should have another book to read during quiet reading time. Vocabulary words are on the back. Unit 14 Vocabulary work was due today, with a test on May 9.

Math - Simple Solutions #64 was assigned today. Students will be testing on SS #57-60 on Friday.

Math 7 - We are multiplying and dividing integers. We reviewed the practice from Thursday and will test tomorrow.

Math 6 - We are working with ratios still, just applying it to percents.

Math 5 - We reviewed the practice from Friday and will test tomorrow.

Peace,

Mrs. Sullivan
