

Kindergarten Classroom NEWS

August 22, 2025

Welcome Back!

It has been a great first few days in Kindergarten, and the kids are quickly getting familiar with all the new schedules and routines! We have been learning new class rules and procedures, becoming acquainted with our classroom computers, getting used to some greater independence, and learning how to go down the fireman's pole on the playground! Thank you for your help with a smooth transition back to school. I can only imagine how tired the kids are and how hard it is to wake them up each morning!

Milk and Pizza

If you are interested in ordering milk and/or pizza for your child, please contact the office.

We will have Domino's Pizza offered on Fridays, as well as white/chocolate milk each day at lunch.

Kindergarten Schedule

Monday- Art
Tuesday-Gym
Wednesday-Library
Thursday- Music and Gym
Friday-Mass, Music, Spanish

We will be using the following websites, as well as many others, in our classroom. Students are encouraged to use them at home, as well, for extra practice/fun!

ixl.com
abcya.com

Having your child locate and identify letters on a keyboard is very helpful for our computer work in class, as well!
Thank you!

Thank you for sharing your amazing kids with me! Please let me know if you have any questions or concerns.
Ms. DeWitt
