

St. Charles Preschool Newsletter

September 15th, 2025

GREETINGS PARENTS!

This week we will be exploring the Five Senses- seeing, hearing, smelling, tasting and touching. It will be a fun hands-on way to help our children discover the world around them through songs, stories and simple activities, as we learn how our bodies help experience life.

We will be exploring the Bible story of creation from the book of Genesis. We will learn that God made the world and everything in it and that His creation is Good. Each day we will discover something new that God created.

Our focus this week will be on the ZooPhonics letter C, the color Orange, the number 3 and the Triangle shape. We will incorporate these in fun interactive activities.

We are so thankful for the opportunity to help your little ones grow in faith and love each week.

Many Blessings,

Mrs. Evans

Mrs. Slating

Mrs. Norton
