

St. Charles Preschool Newsletter

September 29, 2025

GREETINGS PARENTS!

This week is all about APPLES! We will taste different apples, make apple art, and read fun stories about apples. Apples can be red, yellow or green.

We will be reviewing the numbers 1, 2, 3, and 4. Our colors of the week are Green and Red, and we will be reviewing our ZooPhonics letters A- Allie Alligator, B- Bubba Bear, C- Catina Cat and D- Deedee Deer.

We use the Curriculum ZooPhonics to introduce letters and their sounds using body signals. If you are not familiar with our friends Allie Alligator, Bubba Bear, Catina Cat and Deedee deer, no worries because we will be sending home "The ZooPhonics "Cast of Characters" and Associated Body Signals". This way you will be familiar with what your child is learning and can participate in the fun.

We are going to have so much fun this week learning with apples, the ZooPhonics letters, reviewing numbers 1-4 and the colors Green and Red.

This past week the kids had a lot of fun learning about different feelings and emotions. They decorated pancakes with fruit to create their own "foodie faces", talked about what makes them happy, sad, excited, etc. They learned about Noah's Ark, and were very excited to have play time in the gymnasium.

Many Blessings,

Mrs. Evans
Mrs. Slating
Mrs. Norton
