

Mrs. Sullivan's 7/8 Friday Note

September 19, 2025

Dear Families,

The car wash was a great success! We raised over \$600 for our year-end 8th grade trip! Thank you for all your support! Our cookie sale on Wednesday also went well.

Thank you for encouraging your student to get missing work turned in. I will be very busy grading this weekend. I will have everything entered into Infinite Campus before we return to school on Monday.

Mr. Sullivan and I will be available on Wednesdays for after school help. If your student plans on staying after, please email one of us by Wednesday morning. Students should come prepared to work on school work. Pick up is in the upper lot at 3pm.

I am missing a few permission slips for our upcoming trip. Please sign the yellow slip that came home last week. Our class will be visiting IM 3rd Kids in Belding to pack shelf stable meals for food insecure students in Montcalm and Ionia counties. I will also need a couple of parent drivers, so if you are available in the morning on October 2, please let me know.

Simple Solutions - Students will be completing Simple Solutions 17-20 next week The quiz on Friday will take questions from Simple Solutions 13-16 to give students plenty of opportunity to seek help and make corrections. Unfortunately, many do not complete corrections.

MATH 7 - We are still adding and subtracting positive and negative integers.

MATH 8 - We will be looking at writing and solving linear equations.

MATH 9 - We have begun solving equations. Students need to proofread their work because many are dropping negative signs.

SCIENCE - We tested on forces and started learning about waves.

THEOLOGY - We will be wrapping up our unit on personal growth with a test mid-week.

Peace,

Mrs. Sullivan
