## GREETINGS PARENTS!

This past week, we learned about the important people who help keep our community safe and healthy!

### Activities this week:

Made a Fire Engine "Snack-tivity" using graham crackers, Red frosting, small Oreo cookies for wheels, and pretzels for the ladder.

Painted with Nuts and Bolts - real ones just like the real construction workers use.

Enjoyed a friendly visit from our neighborhood police officer and firefighter, who shared with us all the things they do to keep us safe.

Made our very own mail carrier bags and "mailed" playing cards to learn about mail carriers.

Used our light table to look at real x-rays just like a real Doctor.

### Spiritual Lesson:

We Focused on the book "I'm Going To Mass" by Angela Burrin, learning how we show love and respect to God and one another. The children practiced quiet listening, praying together, and thanking Jesus for our community helpers.

### Looking Ahead:

We have been so blessed with wonderful fall weather! Now that our mornings are getting cooler, please be sure your child brings a coat (labeled with your child's name) to school for recess. Next week we will roll into pumpkins!

Many Blessings,

Mrs. Evans  
Mrs. Slating  
Mrs. Norton
