GREETINGS PARENTS!

This week our theme was all about **Halloween**! In small group literacy, we enjoyed the story "The Little Old Lady Who Was Not Afraid of Anything" by Linda Williams. We also practiced counting syllables in Halloween - related words. The children loved clapping out words like pumpkin, spider, and costume!

In math we had fun doing a patterning and sorting activity using festive manipulatives. Our sensory table featured a spooky science experiment - melting frozen spider rings from ice cubes! The children observed the melting process and explored temperature changes while freeing their spider friends. In art we made a silhouette bat, puffy ghosts and sparkly witch hats!

Our spiritual focus this week was on the Holy Spirit. We learned that the Holy Spirit is God's helper and is always with us, helping us make good choices. The children shared examples of times they felt helped to do the right thing by God's love and guidance.

Our Halloween social was a great success! The children had so much fun wearing their costumes while parading to the big kids' classrooms, playing games and dancing in the gym, working with Halloween activity books, and enjoying a yummy treat together. Thank you to all of the families who contributed!

Please remember to check your child in and out of BrightWheel. If you need any help with this process, please let us know. Thanks!

We had a wonderful week full of learning, laughter, and Halloween joy. We're looking forward to more fun ahead as we continue growing, learning, and sharing God's love each day!

Next week's theme is All About Fall!

Many Blessings,
Mrs. Evans, Mrs. Slating and Mrs. Norton
