Student of the Week

John Hendricks is our special student of the week. He is the oldest in his family and has two younger brothers. John enjoys reading books, riding his bike, swimming, and playing games with his brothers. He also enjoys board games and going tubing with his family. When he is older, he would like to be a veterinarian because he loves animals. Someday he would like to learn how to fly a plane and fly upside down! John's favorite foods are spaghetti and pizza. His favorite restaurant is Culvers. His favorite colors are blue and green and his favorite subjects are reading and math. Way to go John! We are so proud of you!
