Student of the Week

Arabella Spitzley is our special student of the week. She is the youngest in her family and she has an older brother and sister. Arabella enjoys dancing, hip hop, gymnastics, skiing, and drawing. When she is older she would like to be a police officer and a veterinarian. Her favorite foods are spaghetti and mac and cheese. Her favorite restaurants are The Winter Inn and Taco Bell. Arabella enjoys riding the electric scooter with her dad and going to the beach with her mom. Her favorite colors are blue and pink and her favorite subjects are art, music, and science. Way to go, Arabella! We are so proud of you!

What We're Learning

This week in ELA, we focused on words with -ing and -ed. We also reviewed syllables and wrote letters to our special helpers - Mr. McKnight and Mrs. Hole. We also discussed proper nouns. In math, we continued our focus on addition and subtraction. The students also reviewed how to find the missing addend in an addition problem. We practiced coins, counting by 2 and 5, and reading and writing numbers to 100. In Theology, we focused on Jesus' love for us and created a book about All Saints Day. We discussed how saints love and serve God and how they put God first in their lives. Finally, we will celebrated Halloween and the students had an amazing time. Thank you Mrs. Schrader and Mrs. Griffes for making a special Halloween party for our first graders! We really appreciate it!

Supporting Your Child at Home

Please continue to practice math facts and read daily. Twenty minutes of reading every night will make a big difference. I will put the November Book-It calendar in your child's homework folder next week. The October Book It calendar is due next Monday!

Have a Blessed weekend!! Remember to adjust your clocks on November 2nd!!
