From Mrs. Kemp...

It's hard to believe, but we've finished our first quarter of the year! Second graders have grown quite a bit since the beginning of the year, especially in their independent work skills. Be sure to check out report cards when they are available to view.

Our goals for the next quarter are to continue building independence and responsibility, especially with returning homework.

**St. Charles Borromeo School is a
Catholic community of faith,
academics and service for all.**
