Student of the Week

Aria Mae Bozung is our special student of the week. She is the youngest in her family and has seven brothers and sisters. Aria enjoys going out to eat, vacations, video games, movies, and reading. When she is older, she would like to be a first grade teacher because she likes helping kids. Aria's favorite restaurants are McDonald's and KFC. Her favorite foods are a Big Mac and the Famous Bowl. Her favorite subjects are gym, reading, and science and her favorite color is pink. Aria also enjoys playing board games, watching tv and going on bike rides with her parents. Way to go, Aria Mae! We are so proud of you!
