

Kindergarten Classroom NEWS

November 25, 2025

Dear Parents,

Happy early Thanksgiving! The kids were so excited about the luncheon last week, and were counting down the days until Thanksgiving since we turned the calendar to November 1. I am almost afraid to see the excitement when we change the calendar to December! We have been busy making turkey masks, turkey headbands, and turkey handprints, and all of our fall projects have now been sent home. We are working on our Advent wreaths for home and school, learning about Advent, and we pulled all of our Christmas and Advent books out of storage. The kids were really excited to look through all of them on Monday!

Happy Thanksgiving from our
Kindergarten turkeys and firefighters!
