## Charity Day

**Monday, January 12**

Charity Day this month will support a student from Greenville High School who is involved in Interact, selected to participate in the Rotary Youth Exchange program.

This experience allows students to live in another country, learn a new culture, and serve as ambassadors of goodwill and global understanding. In the spirit of our Catholic faith, this is an opportunity to live out Christ's call to love our neighbor, serve others, and build peace in the world.

Donations help support travel and exchange related costs and make this opportunity possible for a student from our local community.

Thank you for supporting service rooted in faith and reaching beyond our school and into the world.

## Note from Mrs. Saladin

Dear St. Charles school families,  
I hope you all had a wonderful Christmas and a joyful New Year. We pray that the peace and hope of the Christmas season continue to fill your homes as we begin this new year together. We are looking forward to welcoming everyone back on Monday morning and continuing our work of growing in faith, academics, and service as a school community.

Peace,  
Mrs. Saladin
