## GREETINGS PARENTS!

This week our preschoolers had so much fun learning about opposites! We explored how things can be different but still go together in wonderful ways.

We enjoyed coloring pictures under the table and on top to show opposites. We read "The Foot Book" then traced our foot, and traced the opposite - our hand, and played a big vs. small sorting game.

We celebrated Catholic Schools Week with special activities! Our PTO treated us to a delicious breakfast of French toast, sausage, and hash browns. We enjoyed a special assembly with our guest, the amazing Zaniac! We also played shape bingo and Twister while enjoying popcorn.

For our Spiritual lesson we learned the parable of the House on the Rock. Using blocks, we built houses on sturdy ground and on unstable ground using rice. We learned that when we trust God, He will never let us down.

Valentine's Day is coming up! Our party will be Wed. Feb. 11. We will be exchanging valentines. We have 23 students this year. Please do not address each individual child - just who the valentine is from. If you plan to send a treat, remember we are a peanut free classroom.

Please don't forget to sign up for conferences. You can find the link to do so in Mrs. Saladin's weekly warrior email.

Thank you for your continued support and for being part of our preschool family!

Many Blessings,  
Mrs. Evans, Mrs. Slating and Mrs. Norton
