

Mrs. Sullivan's 7/8 Friday Note

January 16, 2026

Dear Families,

Monday is a day off for Martin Luther King, Jr Day.

We will have a special Charity Day on Wednesday, January 21 to help raise money for handicap upgrades to Ms. Nelda's van. Ms. Nelda has been a long time supporter and volunteer to our school, helping out in the younger grades. These upgrades will make entering and exiting her vehicle safer for her. Please be generous.

MAPS testing continues. Please encourage your student to try their best.

Mr. Sullivan and I will be available for homework help on Wednesday, January 21. Pick up is at 3pm in the upper lot.

The second marking period ends today. Service hours are also due on January 16. Interact will let me know of those service hours, so don't worry about adding those in.

Thank you to those that continue to drop off can and bottle returns! Drop off is near the playground doors in the upper lot.

Math - Simple Solutions Quiz on Friday will be on #69-72. We will be completing #73-76 next week, even with Monday off.

Math 7 - We are working with percents.

Math 8 - We are exploring slope-intercept form of linear equations.

Math 9 - We started a new chapter on monomials and polynomials.

Science - We have done some investigation work with the wave model of light.

Theology - We tested on the second half of Church History today. Next up is a unit on Morality

Upcoming:

- Our kickoff to **Catholic Schools Week** begins on Sunday, January 25 with our **Pack the Pews** Mass at 11am. Students attending **Pack the Pews** will receive a Jean Day and be entered into a prize drawing! I hope to see everyone there!

- Our **Eighth Grade Raffle** also begins Sunday, January 25 and I will need 2 students to sell tickets after Mass. We are still in need of donations of new or gently used items.
- Conferences are February 5 and 12. [Sign up here.](#) To reduce confusion in scheduling, Mr. Sullivan and I will meet together this time around. Parents of siblings in Grades 5-8 will only need one conference time slot. If you need an alternate time, please let us know. This is a great opportunity to discuss classes for your 8th grader's placement next year in high school.
- Mrs. Faber, a Greenville High School guidance counselor, will meet with the 8th graders on February 11 at 1pm to prepare them for scheduling classes for their **FRESHMAN** year at Greenville. There will be a parent meeting in the GHS auditorium on Tuesday, February 17 at 6:15pm.

Enjoy the weekend!

Peace,

Mrs. Sullivan
