

# St. Charles Preschool Newsletter

Feb. 20, 2026

## GREETINGS PARENTS!

This week in preschool we zoomed into our exciting Transportation theme! The children explored different ways we travel by land, air, and water through hands on activities and playful learning experiences.

We painted roads using toy cars and explored how vehicles travel different paths, used cars to form letters and practiced matching uppercase and lowercase letters with road sign cards.

During gym time, we raced and pretended to be different forms of transportation including cars, motorcycles, airplanes, and boats. One favorite activity was forming our own "boat" by sitting with our feet together and holding hands with friends while singing "Row, Row, Row Your Boat" and pretending to row across the water.

We learned about Ash Wednesday and the beginning of Lent. Lent is a special time to grow closer to Jesus by being kind, loving, and making good choices. As a meaningful activity we used black paper and chalk to create a shadow of a cross as a reminder of the Holy season.

Our Preschool and Kindergarten Open House is March 5th! Please spread the word if you know any families who may be interested in our fantastic program. We would love to welcome new friends into our St. Charles School family!

Thank you for your continued support and partnership in your child's learning journey.

Many Blessings,  
Mrs. Evans, Mrs. Slating and Mrs. Norton
