## **GREETINGS PARENTS!**

This week our preschool classroom focused on TEAM BUILDING! We had so much fun learning how to work together, share, take turns, and encourage one another. Through hands-on activities and special experiences, we discovered that we can do amazing things when we work as a team!

Here are a few highlights from our week: Partner Easel painting- Two friends shared one paint brush and took turns creating one beautiful picture together. Team Letter Hunt- We searched for letters and worked together to spell the word TEAMWORK! Human Number Line- We cooperated to put ourselves in order using number cards. Special Guests- Mrs. Slating brought in her guinea pigs, S'more and Popcorn! We practiced patience and gentleness while waiting our turn to feed and pet them. We topped it off with Parachute Fun with our Third Grade Buddies. We learned how teamwork makes the parachute lift and move together!

We celebrated the first full week of Lent by learning that Jesus shows us how to help and love others. We practiced one full minute of quiet prayer time, remembering we can talk and listen to God in our hearts.

**March is Reading Month!** We will be celebrating our favorite authors all month long. We are looking for special visitors who would like to come read a story to our class! Parents, grandparents, aunts/uncles, or any other special people in your child's life are welcome. Volunteers will need to take the Protecting God's Children course. Please let us know if you are interested.

**Reminders:** March 5- Preschool and Kindergarten Open House, and March 6- No school (Teacher Professional Development Day)

Thank you for supporting your little learners as they grow in kindness, patience, and teamwork.

Many Blessings,  
Mrs. Evans, Mrs. Slating and Mrs. Norton
