

Mrs. Sullivan's 7/8 Friday Note

February 20, 2026

Dear Families,

Mr. Sullivan and I will be available for homework help on Wednesday, February 25. Pick up is at 3pm in the upper lot.

Thank you to those that continue to drop off can and bottle returns! Drop off is near the playground doors in the upper lot.

In library, over the next several weeks, students will be listening to the audiobook of *The Chronicles of Narnia*. They will finish the unit by watching the movie, which is rated PG. If this is a problem for your family, please let us know.

Math - Simple Solutions Quiz on Friday will be on #89-92. We will be completing #93-96 next.

Math 7 - We will be using algebraic expressions and equations.

Math 8 - We are solving systems of equations, which will be a great preview for algebra.

Math 9 - We started our chapter on factoring.

Science - We tested on light waves and are moving on to gravity, electricity, and magnetism.

Theology - We are studying what it means to form a conscience and morality and tying that in the Ten Commandments. We will also continue attending the Thursday morning Mass that has been added through Lent. Students have received Part 2 of 100 Catholic questions, which will be due March 5.

Upcoming:

- We will be scheduling the Sacrament of Reconciliation in March. Reconciliation is available weekly at St. Joseph's in Belding on Saturdays at 3pm.

Enjoy!

Peace,

Mrs. Sullivan
