MAKE TIME FOR HOLY WEEK

As we approach the holiest week of the year, Holy Week calls us to walk closely with Christ through His Passion, Death, and Resurrection.

At St. Charles, this is something we don't just teach, we live. We ask every family to make attending the liturgies of the week a priority. Please take a moment to review the schedule below and plan to attend, especially Holy Thursday, Good Friday, and Easter Sunday.

Walking with Moms in Need-St. Charles/Joseph/Mary

Serve-A-Thon Update!

We have been given a generous \$10,000 in matching funds to support our Serve-A-Thon. Every donation made will be doubled, which makes this a great opportunity for our families to participate. At this time, 27% of our students are registered. We would love to see that number grow.

No donation is too small, especially when it is being matched. Please also take a moment to look for the Student Reflection Sheet that went home this week as part of this effort.

Thank you for your continued support in helping us build a strong culture of service at St. Charles.

THANK YOU

The PTO Euchre Night was truly a hit! We had a fantastic group of parents join us for an evening filled with laughter, friendly competition, and great conversation. Thanks to your support, we raised over \$500 that will go directly toward two of our favorite upcoming events — Muffins with Mom and Fun Day! Beyond the cards and competition, what made the night especially meaningful were the connections formed. We were able to welcome some new faces into our school and church community, all because of a simple, unexpected conversation at the store. Simple moments like this, remind us that God places us exactly where we need to be, at just the right time. He is always working, sometimes in the most ordinary moments to build something bigger than we can see. Thank you to everyone who came out, supported, invited a friend, and helped make the evening such a success.

UPDATES

As outlined in our PTO bylaws, all board positions will be open for the upcoming school year. This means we will be forming a new PTO board to continue supporting our students and teachers. Serving on the PTO board is a meaningful way to be involved in our school community and support the mission of our school. If you have questions or would like to express interest early, please don't hesitate to reach out to stcharlespto@saintscjm.com

Note from Mrs. Saladin

Dear St. Charles school families,

As we enter Holy Week, we are invited into a sacred time of prayer, reflection, and preparation for Easter Sunday. This is a meaningful opportunity for our students and families to slow down, draw closer to Christ, and live out our faith more intentionally.

This week, our 3rd and 4th grade students served both our parish and school by organizing the pews and cleaning the two main stairways between the church and school. Their willingness to serve with care and pride is a beautiful example of what it means to put faith into action.

This spirit of service is exactly what our Serve-A-Thon is all about. We are not just raising funds, we are forming students who understand the importance of serving others with purpose and joy.

Thank you to our students for their hard work and to our families for continuing to support and model a spirit of service.

Peace,
Mrs. Saladin
