# Preschool Newsletter

This week in preschool, we explored the books of author Laura Numeroff! Her stories helped us to learn through fun, hands-on activities, creativity, and play.

Here are some activities we did from our stories- **"If You Give a Mouse a Cookie"**- We did a fun and engaging science experiment using milk, food coloring, dish soap, and Q-tips. The children created colorful milk and then observed with excitement as the colors swirled and separated when dish soap was added! - **"If You Give a Pig a Pancake"**-We completed a pig number puzzle and played a classroom favorite, Pop The Pig. - **"If You Take a Mouse to the Movies"**- We made a "P is for Popcorn" picture by gluing popcorn kernels onto the letter P. We enjoyed a special movie time with popcorn! - **"If You Give a Moose a Muffin"**- We played a muffin matching game. - **"If You Give a Cat a Cupcake"** -We made puffy paint cupcakes and used cupcake manipulatives for counting and patterning.

For our spiritual lesson we focused on the 4<sup>th</sup> week of Lent. We learned about The Prodigal Son and how God always loves and forgives us when we make mistakes. As a reminder of forgiveness, we created heart shapes decorated with stickers and crayons.

We are so proud of all the learning, creativity, and kindness shown this week. Thank you for your continued support.

Many Blessings,  
Mrs. Evans, Mrs. Slating, and Mrs. Norton
