Dear Parents,

I hope everyone had a great week! It was a gloomy day yesterday, but I guess we can be happy that we saw rain, and not snow. Next week's weather looks like a combination of spring and winter, so the kids may need a variety of clothes for recess time. I would still recommend boots, as the playground will be wet and muddy, but the kids may only need a light jacket for the beginning of the week.

If you have signed up as a **Mystery Reader**, please enter through the parish office doors downstairs. Mrs. Hudson will let you in and call down to let me know you are here. I will have the kids turned around with their eyes closed when you come in, so please do not let your child know that you are coming. Let me know if you have any questions. We still have a lot of dates/times open for you to visit our class as a mystery reader, and we'd love to have you!

I did not send home white envelopes this week. Included in your child's homework folder, however, was a toothbrushing chart, Whitecaps reading chart, and Serve-a-Thon information. The toothbrushing chart does not need to be returned-it is only for encouragement. The Whitecaps reading chart is an easy way to get a couple tickets to a ball game. The Serve-a-Thon is a major school fundraiser. Please read it over and consider what you and your family may be able to contribute. Thank you!
