## The Week of March 16, 2026

The Very Hungry Caterpillar is our theme for March is reading month. When your child reads 15 minutes or more each night, he/she may color a picture on the Very Hungry Caterpillar calendar. At the end of each week, I will keep track of how many days your child has read and your child will add their name to our school caterpillar. At the end of the month, those names will be used for a school wide drawing for prizes. Please keep these calendars in your child's homework folder so I can keep track of what they have read each week. Thank you!

### Important Dates

- Monday:** Art and Stations of the Cross
- Tuesday:** Gym, Music, and St Patrick's Day - green attire!
- Wednesday:** Library and Adoration
- Thursday:** Gym
- Friday:** Mass, Spelling Test, Music, Spanish and Spring Begins!

### Reminders

Thank you for always reading with your child and helping him/her reach their reading goals. Next week I will be testing your child for report cards. I can't believe how quickly this marking period flew by. Please continue to encourage your child to dress according to the weather, especially on the colder days. Have a Blessed week and God Bless You!
